3. Type of legal transaction

Sale of aircraft.

4. Inspection of aircraft

Inspection of aircraft will be possible on the basis of a preliminary arrangement. Interested buyers can obtain detailed information on the subject of sale for their tenders at the following point of contact: Polonca Vagaja Hribar, tel. +386 1 244 66 03, e-mail: polona.vagaja-hribar@caa.si.

5. Tendering security

Tenders must be accompanied with a certificate of paid security in the amount of 10% of the tendered price. Security shall be paid on the transaction account of the Civil Aviation Agency of the Republic of Slovenia, no: IBAN SI56 0110 0600 0036 204, under »Security for the purchase of aircraft 2012«.

The security will be included in the purchase price of the successful tenderer or withheld if the tenderer fails to conclude a contract. Unsuccessful tenderers will receive the security without interest within 30 days after the written contract award notification.

6. Conditions of sale

- The aircraft will be sold on an »as is« basis.
- Tenderers will receive written notification about the result of the tender procedure within 8 days after the public opening of tenders.
- The successful tenderer is obliged to conclude a contract of sale with the seller within 15 days after confirmed receipt of notification of the contract award in electronic form, or within 15 days of the service of the notification of the contract award.
- The seller shall hand over the aircraft to the buyer, and the buyer shall take over the aircraft within 8 days upon paying the full purchase price.
- Until handover of the subject of the contract to the buyer, the seller will suffer incidental demolition or damage to property. When the subject of the contract is handed over, the buyer will suffer damage. If the subject of the contract has not been handed over to the buyer due to the buyer's delay in taking over the aircraft, the buyer shall suffer damage from the start of the delay.

- Expenses for transfer of ownership and any other costs arising from the sale will be borne by the buyer.
- All expenses and charges arising from maintenance, airworthiness, insurance and other matters in relation to the subject of the contract incurred until handover of the aircraft will be borne by the seller. Expenses incurred after handover of the aircraft will be borne by the buyer.
- The best tenderer will be selected on the basis of the price. The best tenderer is the one offering the highest price. The price tendered shall be expressed in Euros and cannot be lower than 12.600.227,00 EUR. Should there be several qualifying tenders among the ones received, the selection will be based on further negotiations.
- Only tenders meeting the required conditions will be considered.

The written tender shall include: name of tenderer, address and telephone number, and the tender price. Tenderers are required to furnish:

- Certificate of paid security;
- Complete bank account number and bank details;
- Written statement about acceptance of tender conditions; and
- Power of attorney for a person participating as an agent in the opening of tenders.
